#### BETHLEHEM FINE ARTS COMMISSION TO PRESENT PARAMEDIC'S ARTWORK

William Guth, of Bethlehem, PA, is a full-time paramedic with the City of Bethlehem's EMS. He is also a very very good amateur photographer. Self-taught, he has had pictures published in several emergency magazines and public safety magazines. And he is about to be exhibited at City Hall.

Mr. Guth was born and raised in Bethlehem, graduating from Liberty High School and the Bethlehem Area Vo-Tech with a degree in Graphic Arts. He then went on to train at Allentown's Sacred Heart paramedic program. He has been a full-time paramedic since 1984.

During the month of September, the public is invited to view his work exhibited in the Rotunda of City Hall. Fourteen photographs will be displayed. Sponsored by the Bethlehem Fine Arts Commission as part of its ongoing effort to support and enhance the arts in the city of Bethlehem, the exhibit is free and open to the public during City Hall business hours.
